Research in Arts Education is an academic journal published by Research in Arts Education Advisory Board. It is evaluated as THCI (Taiwan Humanities Citation Index) Tier 1 journal by Research Institute for the Humanities and Social Sciences, Ministry of Science and Technology. It also wins Knowledge Impact Award in arts disciplines given by National Central Library. The founding of this journal aims to promote the academic atmosphere, research quality, and communication width of arts education. The first issue of the journal was released in May of 2001. As a semi-annual journal, it is published twice a year at the end of May and December.

Call for Papers

Arts education is an integrated field. This journal focuses on arts education. To emphasize its interdisciplinary and integrative nature, the journal considers publishing such research reports as in visual arts education, music education, dance education, drama and theatre education, design education, arts administration education, arts technology education, aesthetic education, art history education, and art museum education. Any research article relevant to applied arts education and its development is welcome also. This journal does not discriminate against submitter's nationality, affiliation, sex, rank, ideology, and so forth. All who follow the submission guidelines are welcome to submit.
